Security Boxes

Mini and Maxi Boxes provide a secure storage solution for both indoor and outdoor use. Security Boxes are suitable for safely storing gas bottles, hazardous materials, and valuable plant machinery.

Maxi Boxes are available in 5 standard sizes but can be modified to suit your specific application. All Boxes come with a pad-lockable single or double door and a mesh roof as standard. Fixings supplied. Expamet (Expanded Metal) options are available.

Mesh aperture: 50 x 50mm

High quality powder coated finish is available in Grey RAL 7037 as standard, although other colours and hot-dipped galvanised finish (for outdoor use) are also available upon request.

Shelving is available for Mini Boxes (P.O.A.)
